

IMPACT Training Seminar for the AATA

Dr. James Nesmith, Arkansas Children's Hospital

Blue and You Foundation

Friday, April 15, 2011

Wyndham Riverfront Hotel

Lunch 12-1pm

Program: 1-4:30pm

Athletic trainers in the state of Arkansas will receive training for ImpACT, a neurocognitive assessment tool, in addition to educational sessions about concussion management.

Once you complete this Pre-Conference Seminar, you will be able to apply for a license from ImpACT for your high school **AT NO CHARGE!** (applies to the first 70 secondary school ATs who register) Thanks to the grant from the Blue and You Foundation and Dr. James Nesmith of Arkansas Children's Hospital, there is no fee for this seminar, nor for the ImpACT license.

Mark your attendance on the enclosed AATA Registration form to reserve your spot!
